SUPPLEMENT TO

DECISION ON PETITION

UNDER 37 CFR 1.47(b)

On 30 August 2007, a decision was mailed herein dismissing without prejudice the petition under 37 CFR 1.47(b) filed 01 August 2007. The petition was dismissed for failure to satisfy all the requirements of a grantable petition. The 30 August 2007 decision allowed petitioner TWO (2) MONTHS from the mail date of the decision to file a response.

The present communication is issued to confirm that extensions of time under 37 CFR 1.136(a) are available with respect to the two-month deadline set forth in the previous decision. The present communication does not otherwise modify the previous decision, which remains in effect.

The present communication does not change the deadline for response to the previous decision, which remains 30 October 2007 (i.e., two months from the mail date of such decision). In order to be considered timely, any response filed after 30 October 2007 must be accompanied by a petition under 37 CFR 1.136(a) for the necessary extension of time and the fee required for such an extension.

Failure to file a timely and proper response will result in abandonment of the application.
